The Top 16 Entrepreneur Books Recommended By Top Entrepreneurs

Want to read a great book on the subject of being an entrepreneur and having a hard time finding which ones are the best?

If you're searching on Amazon, you'll find <u>over 28,000 different books</u> on the subject of success and entrepreneurship alone. That's a bundle!

You may be there searching for a lifetime trying to find which of the over 28,000 are the <u>best ones</u> ever written.

Who better to ask about great books on the subject than entrepreneurs themselves? Well…we surveyed over 500 of them!

We've done the work for you and taken the time to ask over 500 successful entrepreneurs what their FAVORITE book was on the subject of entrepreneurship and success in business.

To keep this simple for you on your search, we've provided a list of the Top 16 Business Books recommended by these top entrepreneurs we surveyed.

Why 16 and not 15? During our survey of over 500 entrepreneurs, we created a list of the books based on the titles that got the most votes…and these happen to be the 16 that came up more often than any others in our survey!
